## **EVEREST NATIONAL INSURANCE COMPANY**

## APPLICATION AND DECLARATIONS PAGE ADDENDUM NEW YORK DISCLOSURE NOTICE

**CLAIMS-MADE POLICY:** The Policy is written on a claims-made basis with Defense Costs included in the Limit of Liability. The Limit of Liability available to pay judgments or settlements shall be reduced and may be completely exhausted by the payment of Defense Costs and Defense Costs shall be applied against the Retention. PLEASE READ THE ENTIRE POLICY CAREFULLY.

**CLAIMS-MADE DURING POLICY PERIOD:** The Policy covers only Claims actually made against the Insured while the Policy remains in effect. All Coverage under this Policy ceases upon the effective date of Policy termination except for the Automatic Discovery Period or the Optional Discovery Period (if purchased).

**CLAIMS-MADE POLICY MATURITY:** During the first several years of a claims-made relationship, claims-made rates are comparatively lower than occurrence rates, and the Company can expect substantial annual premium increases, independent of overall rate increases, until the claims-made relationship reaches maturity.

**DISCOVERY PERIOD:** The Policy provides an Automatic Discovery Period of sixty (60) days at no charge. A one (1) year Optional Discovery Period may be purchased for Directors and Officers Liability, Fiduciary Liability or Employment Practices Liability Insurance (if the respective coverage is purchased). For any other coverage purchased, a three (3) year Optional Discovery Period may be purchased. Potential coverage gaps may arise upon expiration of the Automatic Discovery Period and the Optional Discovery Period if prior acts coverage is not subsequently provided by another insurer. The premium for the Optional Discovery Period is based on the rates in effect on the date the Policy was last issued or renewed.

**RETROACTIVE DATE:** If the Policy contains a retroactive date, the Policy provides no coverage for Claims based upon, arising out of, or attributable to any wrongful act (as defined within the Policy) that took place prior to the retroactive date.
